

# Transportation Subsidy Request Form

The Fed Board has put together a transportation subsidy, drawn from the money collected through dues paid by our Young Peoples' Society. We intend to use specified funds each year to assist in defraying excessive transportation costs. Please be aware that we may not meet your requested amount, but we will strive to assist you as much as possible. Also, understand that we cannot assist every young person who is planning to attend the convention. Preference will be given to young people in isolated congregations who have high transportation costs year after year. Email the Convention Coordinator Committee if you have any questions.
